Overview

- Intro to David Gershaw and RemPhos
- LED Module/Fixture Technology
 - LEDCR/SR (modules)
 - Drum Housings
 - LED T8 tubes
 - Vanities
 - LEDSS (HID to LED retrofit lamps)
- High Frequency Occupancy Sensor Technology

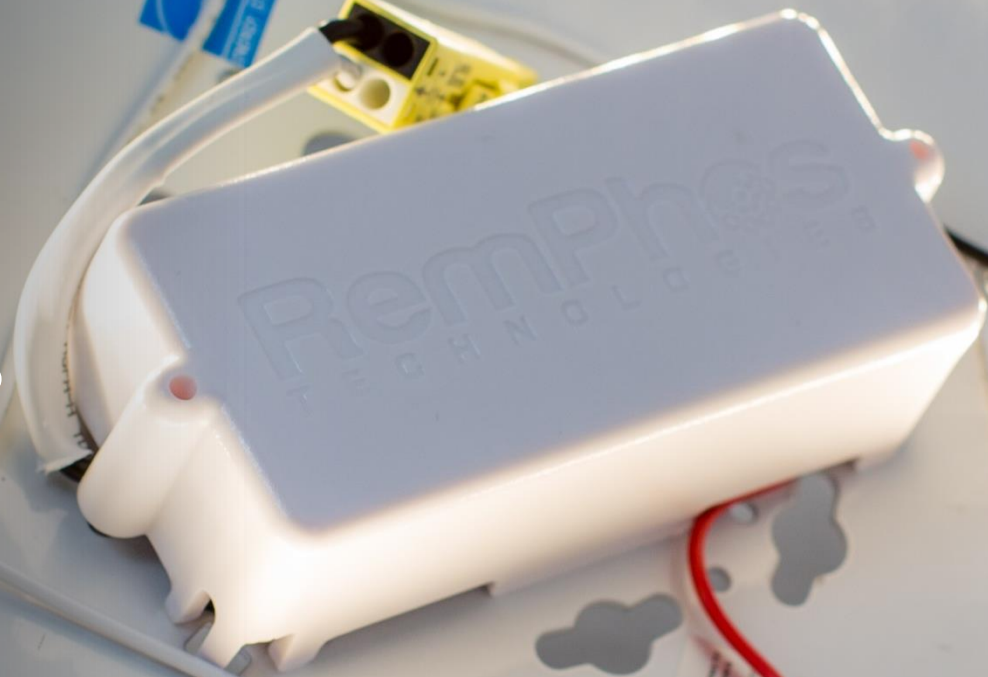

History of RemPhos

RemPhos
TECHNOLOGIES

David Gershaw
RemPhos Technologies
President

LED CR/SRs MODULES

To order replacement parts: (627) 997-3674 WWW.REMPHOS.COM

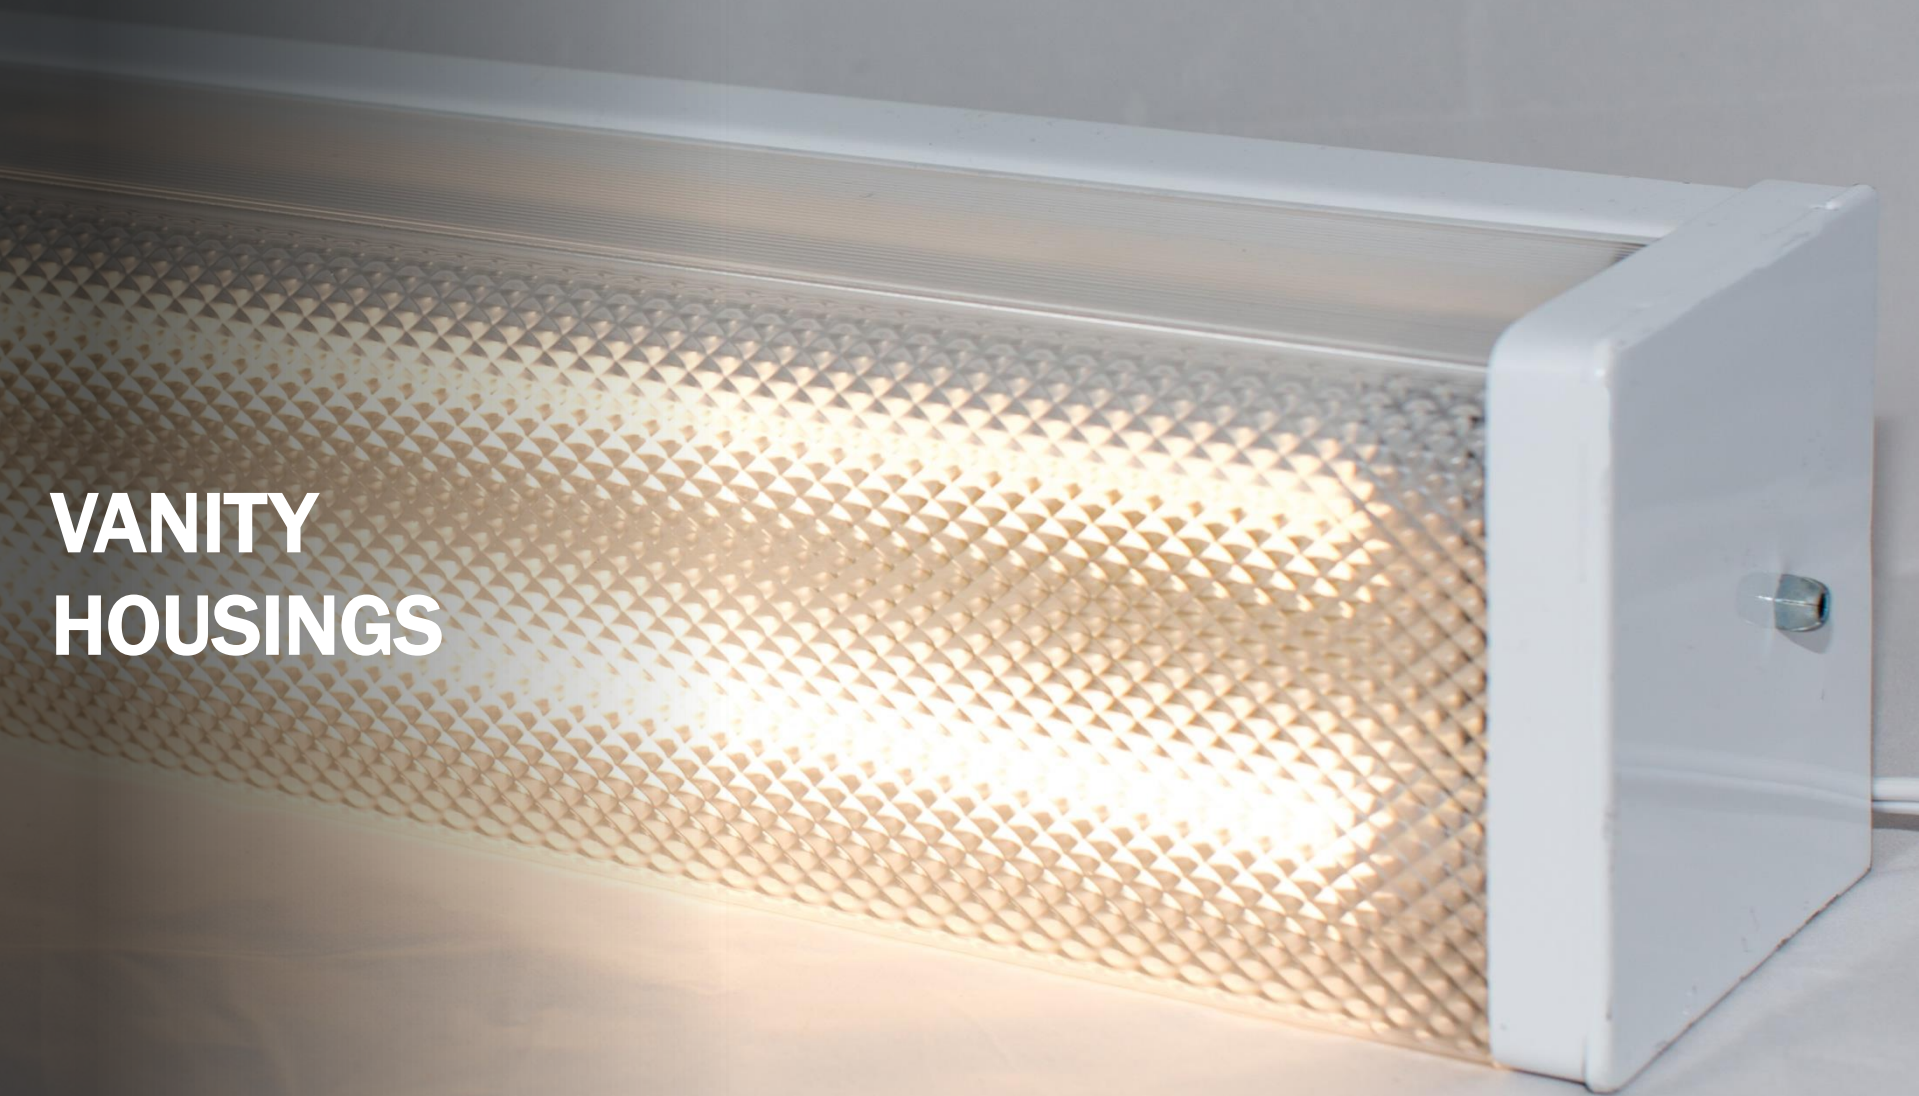

**DRUM
HOUSINGS**

LED T8 TUBES

CAUTION:
This luminaire has been modified and no longer will operate fluorescent lamps. To avoid injury or future damage use only Remphos LED T8 tube lamps for replacement.
Tel: 07738 824105 web: www.remphos.com

VANITY HOUSINGS

LEDSS HID RETROFIT LAMPS

HF Motion Sensor

Built-in microwave motion sensor
for OEM lighting fixtures

Auto on-off; Dimming control; DALI control

LEDICR® high-efficiency light engine powers all RemPhos™ stairwell fixtures

Integral sensor (uses high-frequency technology)

Two different fixture styles available!
